## DESCRIPTION

In need of a higher lifting capacity but don't have the ceiling height for a larger lift? The adjustable Titan 11000ACX might just be the answer to your problems. This 11,000 lb. capacity two post asymmetric clear floor style lift features adjustable columns that give the lift an overall height of 142" to 146" which gives it the same overall height as the standard 9K clear floor lifts.
