

MD-1250-XL

**1250 LB.
CAPACITY**

DESCRIPTION

Make it easier to move your motorcycle around with the MD-1250-XL. Titan Lifts has added its patented motorcycle chock to this unit, securing your motorcycle with no kick stand needed and saving you more garage space. Smooth-rolling swivel casters and low-profile design make it easy for one person to load, unload, and move their motorcycle around any shop or garage.

FEATURES

- **1250 lb. weight capacity**
- **All steel construction**
- **Titan motorcycle chock included**
- **1-1/2" Low profile design**
- **2" dual wheel casters**
- **Anti slip lock ramp carriage to prevent dolly movement while loading or unloading.**
